[Help?]
Include shipments with these status and payment selections...
Any Delivery Status
And
Any Payment Status
And bill is paid by
Any Party
Limit my report by date when the shipments...
were picked up
Limit By:
(select one)
# of Days:
From:
2000
Aug
9 Wed
Thru:
2000
Aug
9 Wed
The report should also include...
all inbound
no inbound
select inbound from my vendors'
origin state, or
origin zip
and to my
location, or
state, or
zip, or
serving station
all outbound
no outbound
select outbound to my customers'
destination state, or
destination zip
and from my
location, or
state, or
zip, or
serving station
all third party
no third party
select third party to the
paying location
and from the
origin state, or
origin zip, or
origin station
and to the
destination state, or
destination zip, or
destination station
